

DECLARATION, POWER OF ATTORNEY, AND PETITION
FOR SOLE INVENTOR

Jerome H. Lenzelson

the United States of America
declare that I am a citizen of
85 Rector Street, Metuchen, New Jersey 08840 NJ residing at

that I have read the foregoing specification and claims and I truly believe I am the original, first, and
sole inventor of the invention entitled
501 Machine Tool System a continuation-in-part of
ser.no. 712,443 filed March 12, 1968 which was a continuation of ser.no.
387,954 filed August 6, 1964 having as a parent application ser.no.
557,415 filed April 10, 1956 now U.S. Patent 3,049,247.

described and claimed therein, that I do not know and do not believe that this invention was ever known
or used before my invention thereof, or patented or described in any printed publication in any country
before my invention thereof, or more than one year prior to this application, or in public use or on sale in
the United States for more than one year prior to this application, that this invention has not been patented
in any country foreign to the United States on an application filed by me or my legal representatives
or assigns more than twelve months before this application, and that no application for patent on this
invention has been filed by me or my representatives or assigns in any country foreign to the United
States, except as follows:

And I hereby appoint myself

to prosecute this application and to transact all business in the
Patent Office connected therewith.

Wherefore I pray that Letters Patent be granted to me for the invention described and claimed in the
foregoing specification and claims, and I hereby subscribe my name to the foregoing specification and
claims, declaration, power of attorney, and this petition.

The undersigned petitioner declares further that all statements made herein of his own knowledge are
true and that all statements made on information and belief are true, and further that these statements
were made with the knowledge that willful false statements and the like are made are punishable by fine
or imprisonment, or both, under section 1004 of Title 18 of the United States Code and that such willful
false statements may jeopardize the validity of the application or any patent issuing thereon.
